June 2020

I was quite sceptical to visit a salon during these COVID times, but to my surprise, along with hand sanitizer, they offered Single Use Hand Gloves to each customer who walked in and made sure that there's minimum contact.

**Walked in for a hair spa, as my curls were not in shape.
Service was great! Good job team.**

This is a good salon and I liked the services too.

Those who are looking for face wax, I would recommend them to go for rica wax, it gives a glow as well as hair growth is delayed. Although you can't skip getting tiny bumps on your face.

Coming towards their services and price, it's good and reasonable and the packages are very attractive and worthy too.

People who are on a budget might not want to step inside this salon as it looks expensive but it provides most affordable service. You are gonna like the ambience too. The place is clean and maintains good hygiene.

Do not buy vouchers from nearby because they charge you more than the actual price.

Positive: Professionalism, Quality, Value

I have opted for PREMIUM WINE FACIAL + WINE DETAN PACK. The concerned Esthetician She has done this facial for me. She was so professional and would like to appreciate her work.

Liked the service, ambience and light music.

One thing I liked about their service they gave complete attention and time, not in hurry which I faced at some other salons. It's literally pocket friendly also. By looking at their ambience and service one would think it would be very costly but literally packages are in budget only.

The Beauty Room: absolute perfect salon for anyone's need. The staff and the owner are extremely polite. I have never seen such clean and hygienic parlour in Hyderabad before I went to this place. I would rate it 5 on 5 for the services as well as the hygiene. I would suggest everyone to visit this salon once for your requirements then you will never think of any other salon. These people are also so flexible with the timings as they understand customer needs. It has definitely solved my headache of finding a perfect salon. Hope this review helps in finding you the BEST.

Thanks !!

I am really sorry to ask the person's name who provided me all the services. One thing I must admit that I have never seen this kind of behaviour from any saloon. Awesome experience with affordable prices. I must recommend it to everyone.

Beard trimming was perfect.

Overall an outstanding service.

Thank you 😊

Beauty here is not heavy on your pockets!

Excellent services and experience at the perfect pricing. I've seen salons giving poor service for 3 times the price just because it's a so-called brand. I went for the first time as it was near my workplace and the pricing was reasonable. Now I am a regular patron as they've got me hooked 😊. The location is a big plus located in Madhapur near the metro station. Car parking might be a problem there so plan accordingly.
